

OneBusAway Tampa

Real-Time Arrival Information

Download OneBusAway App

- 1 Real-time arrival information is shown for a selected stop
- 2 Route number is listed on the left, destination and predicted arrival time are shown in the middle, and the number of minutes until the bus arrives is shown on the right
- 3 The number of minutes:
 - **"NOW"** means the bus should be arriving within 2 minutes
 - **"-4"** minutes means the bus already departed four minutes ago
 - **"3"** minutes means the bus should be arriving in about 3 minutes
- 4 The color of the numbers:
 - **Green** means the bus is on time
 - **Blue** means the bus is late
 - **Red** means the bus is early
 - **Black** means that no real-time info is available for the bus. The scheduled arrival time will be shown instead.
- 5 Click refresh to load the latest results
